

BEAMINSTER TENNIS CLUB

Child Supervision Policy

As a club we do not allow children under the age of 14 to play on the courts without supervision by their parent/guardian or carer.

During coaching sessions children under 14 and over 4 years old may be left in the care of our LTA accredited coach. This accreditation ensures that the coach is DBS checked, first aid and safeguarding trained and therefore suitably qualified to look after young children.

Changing and Toilet Facilities

We do not have suitable changing facilities for children and therefore they must arrive for coaching/playing ready to take part in the activity.

Our toilets are situated in the main school building and are a very short walk away. If a child needs to go to the toilet during a coaching session and has been left in the care of the coach then any other children present that are unaccompanied will also need to walk to the toilets. Therefore it is recommended that children are encouraged to go to the toilet prior to arrival at the club.
